**3. Certificate of coverage.** An insured group member must be issued a certificate of coverage adequately describing that insured's rights and responsibilities under the group policy in a manner satisfactory to the superintendent, delivered in the same time and manner as is required for the delivery of comparable nongroup policies.

**§2952. TERMINATION OF COVERAGE**

Cancellation and nonrenewal of group policies and of coverage of group members under group policies are governed by this section. [ 2001, c. 138, §16 (NEW). ]

**1. Involuntary termination.** Involuntary termination of the group policy is governed by section 2908. Individual insureds do not have standing to contest cancellation or nonrenewal of the group policy unless they have the right to represent the group policyholder.

[ 2001, c. 138, §16 (NEW) . ]

**2. Prior notice of involuntary termination of coverage.** Except as otherwise provided in this section, individual insureds have the same rights to prior notice before involuntary termination of coverage and opportunity for hearing before the superintendent to contest the termination as would be available under the cancellation control laws applicable to comparable nongroup policies.

**5. Continued coverage.** An insurer's obligation to issue or offer continued coverage to a group member under this chapter may be satisfied by the issuance or offer of a comparable nongroup policy.

## §2953. RULEMAKING

The superintendent may adopt rules, which are routine technical rules pursuant to Title 5, chapter 375, subchapter II-A, establishing specific requirements and procedures for group property and casualty policies, certificates of coverage and rates, consistent with the purposes of this chapter. These rules may specify additional types of insurance that may be issued on a group basis and the types of groups that may be policyholders, if the superintendent determines that the issuance of multiple individual policies to group members in accordance with chapter 40 does not adequately address the needs of the market.
